

Notice of New Primary Care Provider at KOKO

Dr. Ninu Quirk

Kīpuka o ke Ola (KOKO) is happy to announce that Family Physician Dr. Ninu Quirk will be joining the KOKO Provider Team as of 3/18/24.

Dr. Ninu Quirk is a graduate of the New York University School of Medicine and holds a secondary board in Integrative and Holistic Medicine. She has provided primary care and urgent care in Hawai'i and on the mainland for over 25 years.

Dr. Quirk believes the physical health and emotional health are intertwined: when you improve one you strengthen the other. She sees the doctor-patient relationship as an equal partnership, and encourages patients to take charge of their wellness in many different ways. She will be providing comprehensive health care for patients of all ages, from keiki to kupuna.

Dr. Quirk is accepting new patients and will begin providing medical services at KOKO on 3/20/24.

Mahalo nunui!
